### Broadley Scholarship Program

The Broadley Scholarship Program was established to honor Louise Broadley, FAHRA, a long-time leader of AHRA. Consistent with Louise's contributions to the careers of countless administrators and radiologic technologists, this program provides scholarship support to radiology administrators desiring to enhance their careers through education.

The program is intended to provide assistance to current AHRA members who hold a supervisory position within a medical imaging department or imaging center and have been accepted into an initial undergraduate or initial graduate degree program relevant to a supervisory career in a medical imaging field. See application form for complete eligibility requirements.

The AHRAEF anticipates that 2 Broadley scholarships of \$2,500 each will be awarded in 2006.

Broadley Scholarship Application Deadline: June 30, 2006

### Partners in Learning Program

The Partners in Learning Program invites administrators at any stage of professional development to spend a few days at another healthcare facility learning how others tackle similar day-to-day operations and issues. At the same time, you can offer a partner a fresh perspective by sharing your own thoughts, professional experiences, and specific areas of expertise. The

Greetings! I hope you enjoyed your holiday season and spent some time with family and friends. I usually try to spend some time over the holidays taking stock of my life. This year I've decided to make some changes in my life in search of the ever elusive balance.

Last month, I described the history of the AHRA Education Foundation (AHRAEF) and some of our programs. Since then, the AHRA staff has been busy mailing leadership campaign letters which go out to all AHRA and AHRAEF board members, fellows, CRAs and volunteers. Many of you have already called me or e-mailed me to pledge your support. Thank you so much.

I spoke briefly in the last *Vision* about developing a feasibility plan around fundraising. The

AHRAEF contracted with a company called CCS, one of the most pre-eminent fundraising firms in the country. CCS began their work at the RSNA in Chicago.

The purpose of the feasibility study is to get input and feedback from our members and corporate partners about the possibility of raising funds to support products and services. The goal for the campaign would be to improve the lives of our members and the radiology industry. We have identified some senior AHRA members to solicit their input. Many of you may have already received a letter about this campaign. Please participate if possible since your opinions and feedback will make a difference to the future of the AHRA.

Once the study is complete, CCS will provide a report to the AHRAEF with recommendations to move forward with a campaign. I'll have more information about this in the near future.

As always, thanks for your support. Until next time, take care. ▣

## DUES WAIVER PROGRAM

AHRA members who have become unemployed can apply for an extension of their AHRA membership, for up to 1 year, while the AHRA Education Foundation waives the membership dues. Certain qualifications must be met and an application needs to be submitted. Once accepted, the member will receive the full benefits of AHRA membership.

In order to keep offering this benefit to AHRA members, it is critical to get the support (through donations) to fund this much needed program.

In order to qualify for the dues waiver, you must be: a current AHRA member, currently unemployed and actively seeking employment in radiology management, and not working as a consultant.

Applications for dues waiver are submitted to AHRA and once approved, the member will be notified of acceptance. After 6 months, the member will be billed for dues but can continue the dues waiver by notifying AHRA of unemployed status. Upon employment, members must notify AHRA immediately. Membership may be continued on a paid basis at that time.

For more information, or to obtain a dues waiver application, contact AHRA at (800) 334-AHRA or (978) 443-7591, or email [info@ahraonline.org](mailto:info@ahraonline.org). ▣

## Sheila's Sips

January '06

When I was in Chicago for the RSNA this year, I went to Catch 35, a restaurant next to the Renaissance Hotel. I ordered a wine there that was excellent and had it again with some friends more recently at Maggiano's.

It's a blend of Merlot and Cabernet Sauvignon. It's a nice full-bodied wine with great fruit. The finish is velvety smooth. Try it and let me know how you like it.
